To be a good staff. Try to learning as much as possible and doing my best in order to accomplish my task. To have good opportunities to get promotion in my job. Develop my skills with development of company, I always want to prove myself

Education

Faculty of Computer Science and Engineering - ThuyLoi University

Major: Software Engineering

Skills

Computer skills

Magento, Javascript(Jquery, Knockoutjs), Linux, Git, Laravel, Mysql, Wordpress

Experience

Vicomage *PHP Developer - Ha Noi - May 2018- October 2018*

- Working with foreigner customer. At that time, I was a web developer with skills Javascript(Jquery, Knockoutjs), Platform(Magento 1 + 2), CMS(Wordpress). Here, almost tasks are collecting requirements, discussion with customers, technology suggestions to streamline the work, develop company's idea to

market segments to test ideas in real context. Especially, I have chance to study and work with new technologies to achieve possible approaches for outsource environment. They are really challenge for me but i really enjoy to do them. Js is my programming language's favorite. Becoming a JS full stack developer is my desire, I'm try my best to make it out.

Wsoftpro *PHP Developer - Ha Noi - May 2017 - Now*

- Working with foreigner customer. At that time, I was a web developer with skills Javascript(Jquery), CMS(Wordpress), Flatform(Magento 1, 2). Here, almost tasks are collecting requirements, split tasks for member in team (3-4 junior members).

Osworlds *PHP Developer - Ha Noi - August 2016- May 2017*

- Working with foreigner customer. At that time, I was a web developer with skills Javascript(Jquery), CMS(Wordpress), Flatform(Magento 1), PHP(Laravel Framework).
